Choice Based Credit System (**CBCS**):

The **CBCS** provides choice for students to select from the prescribed courses (core, elective or minor or soft skill courses).

Course: Usually referred to, as 'papers' is a component of a programme.

The courses should **define** learning objectives and learning outcomes.

Process of ONLINE registration through website

Step 1: please open www.sriramachandra.edu.in

The screenshot shows the homepage of the Sri Ramachandra Institute of Higher Education and Research. The browser address bar displays <https://www.sriramachandra.edu.in>. The website header includes the institution's logo, name, and accreditation details. A search bar and quick links are also present. The main content area features four columns describing the university, medical centre, sports science centre, and engineering faculty, each with a corresponding 'Enter' button. A pink arrow points to the 'Enter Deemed University' button.

Deemed University
Sri Ramachandra Institute of Higher Education and Research was established in the year 1985 as part of the Sri Ramachandra Educational & Health Trust under the leadership of Shri N.P.V. Ramasamy Udayar. Ever since its inception, the institute grew status of a "Deemed University" in September, 1994 under Section 3 of the University Grants Commission Act, 1956.

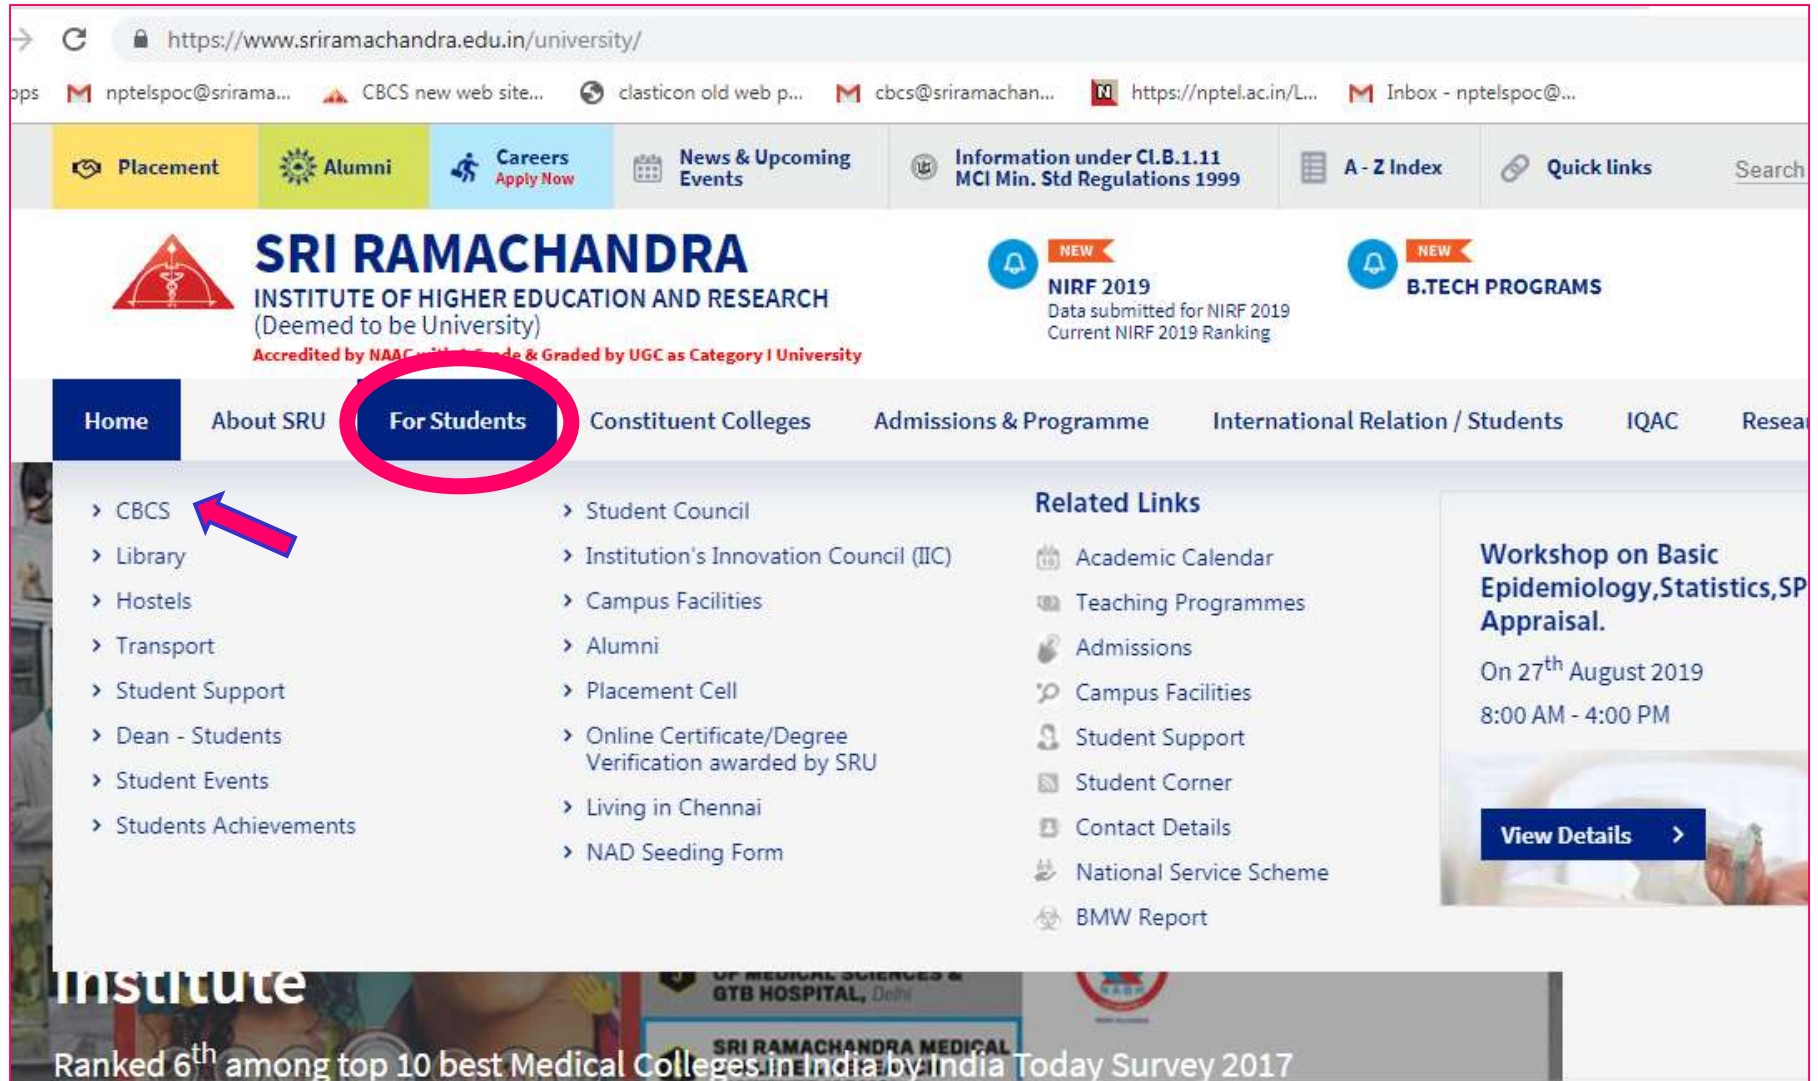

Medical Centre
The University Medical Centre is the focus of the clinical teaching activity of the University. A 1800 bedded facility with the largest ICU in the region with state of the art equipment, the medical centre is a tertiary care facility that provides the trainee with the opportunity to acquire knowledge and skills from the finest doctors in the country

Centre for Sports Science(CSS)
The facilities available in CSS are the most comprehensive, modern and first of its kind in India. With the availability of international expertise along with excellent infrastructure, sports community can look forward to CSS as the one stop shop for its entire sports requirements.

Sri Ramachandra Faculty of Engineering and Technology (SRET)
SRET is the new addition to SRIHER with a mission to promote excellence in new frontiers of engineering and technology in synergy with medicine, offering programs to cater to current industry needs

Step 2: Click on For Students and get CBCS link

The screenshot shows the website of Sri Ramachandra Institute of Higher Education and Research. The browser address bar displays <https://www.sriramachandra.edu.in/university/>. The top navigation bar includes links for Placement, Alumni, Careers (Apply Now), News & Upcoming Events, Information under Cl.B.1.11 MCI Min. Std Regulations 1999, A - Z Index, and Quick links. The main header features the Sri Ramachandra logo, the institute's name, and accreditation details. Two 'NEW' banners highlight NIRF 2019 and B.TECH PROGRAMS. The 'For Students' menu is circled in red, and a red arrow points to the 'CBCS' link within the dropdown menu. The 'Related Links' section lists various resources, and a banner for a 'Workshop on Basic Epidemiology, Statistics, SP Appraisal' is visible on the right. A footer banner mentions the institute's ranking as the 6th among top 10 best Medical Colleges in India by India Today Survey 2017.
